

Prodotto	Sezione estruso	Descrizione particolare
		<p>Supporto per ancoraggio pannelli ornamentali facciate continue</p>
		<p>Supporto movimentazione strutture oscuranti in particolare pale frangisole</p>
		<p>Supporto movimentazione strutture oscuranti in particolare pale frangisole</p>
		<p>Supporto movimentazione strutture oscuranti in particolare pale frangisole</p>

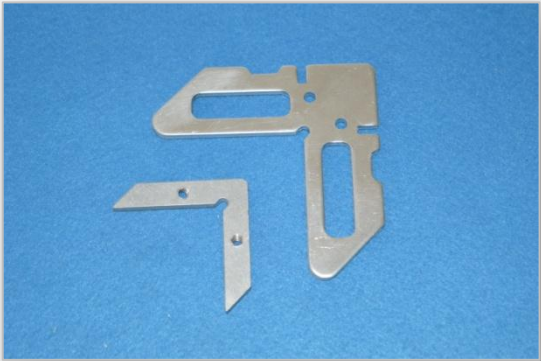

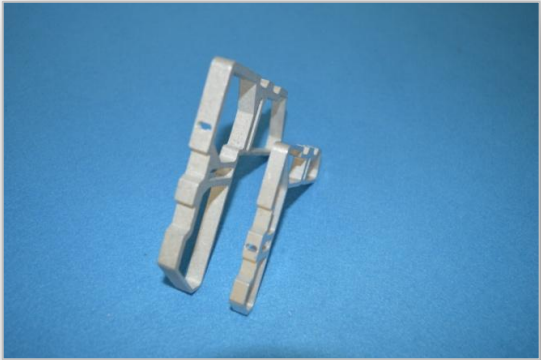

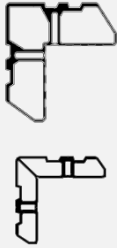

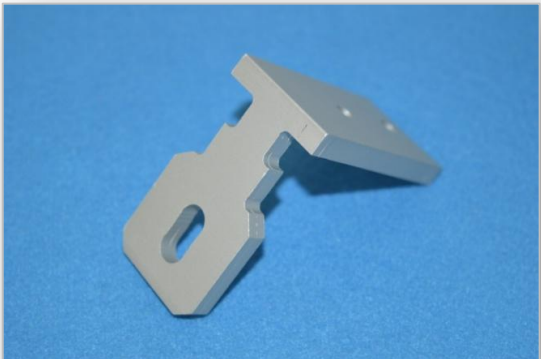

Prodotto	Sezione estruso	Descrizione particolare
		<p>Staffa fissaggio a muratura</p>
		<p>Supporto per fissaggio pale frangisole</p>
		<p>Tappo per profilato pale frangisole</p>
		<p>Tappo per profilato pale frangisole motorizzata</p>

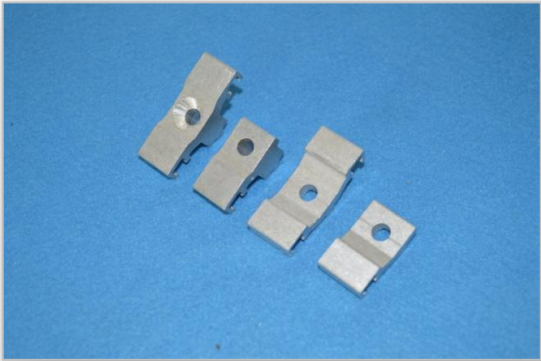

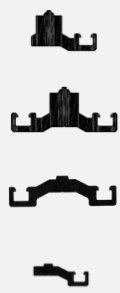

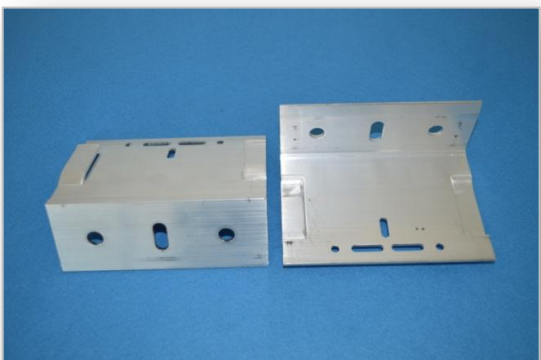

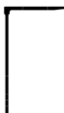

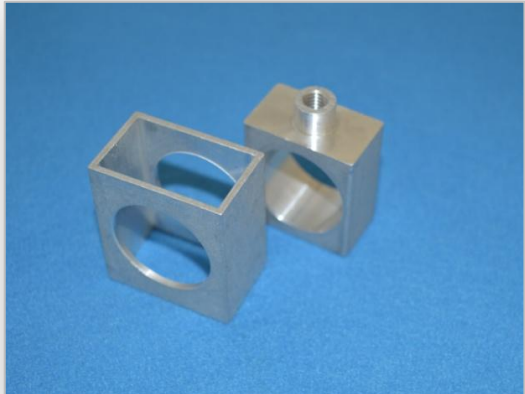

Prodotto	Sezione estruso	Descrizione particolare
		<p>Staffa fissaggio a gradazione fissa</p>
		<p>Tappo pala frangisole con fissaggio angolo variabile</p>
		<p>Tappo per profilato pale frangisole</p>
		<p>Tappo pala frangisole fotovoltaica</p>

Prodotto	Sezione estruso	Descrizione particolare
		<p>Supporto frangisole per lastre in vetro, policarbonato o fotovoltaica</p>
		<p>Staffa fissaggio a gradazione fissa</p>
		<p>Supporto a solaio per tende da sole</p>
		<p>Supporto unioversale per tende da sole</p>

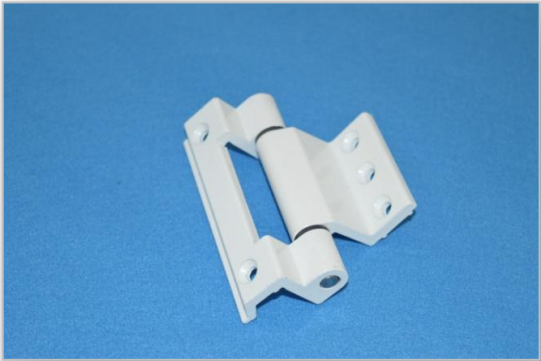

Prodotto	Sezione estruso	Descrizione particolare
		<p>Staffa ancoraggio a pavimento per montanti campi solari</p>
		<p>Staffa intermedia ancoraggio a pavimento per montanti campi solari</p>
		<p>Squadretta a spinare angolo variabile assembleate</p>
		<p>Squadretta a spinare angolo variabile preassemblate</p>

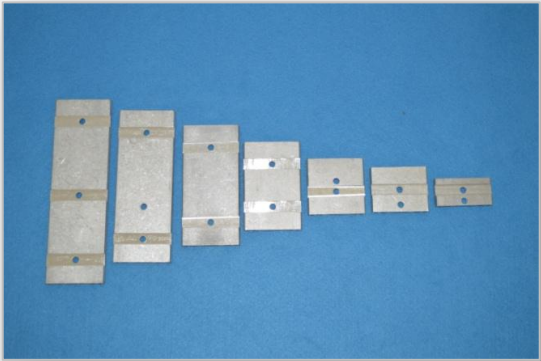

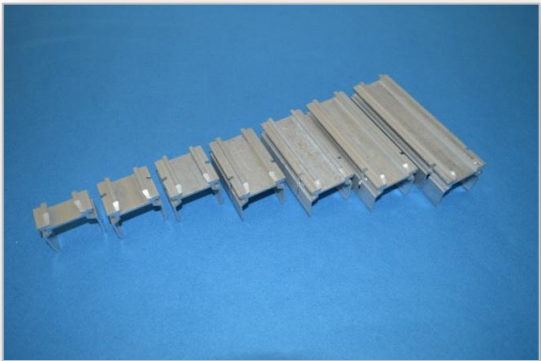

Prodotto	Sezione estruso	Descrizione particolare
		<p>Squadretta spinare cianfrinare angolo variabile preassemblate</p>
		<p>Squadretta a spinare vari tubolari</p>
		<p>Squadretta a spinare con fresature vari tubolari</p>
		<p>Squadretta a cianfrinare vari tubolari</p>

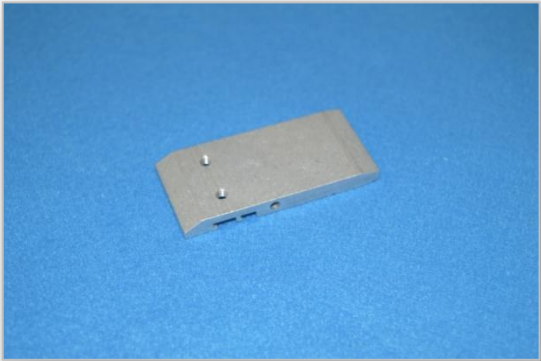

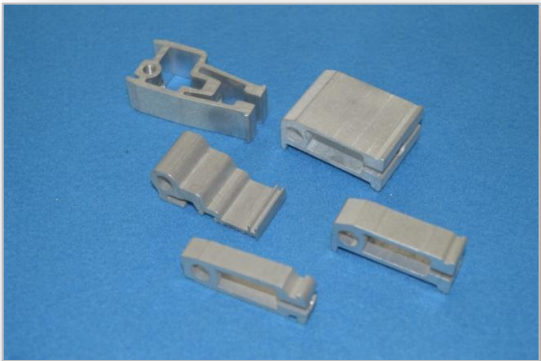

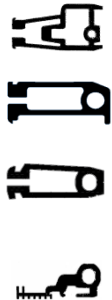

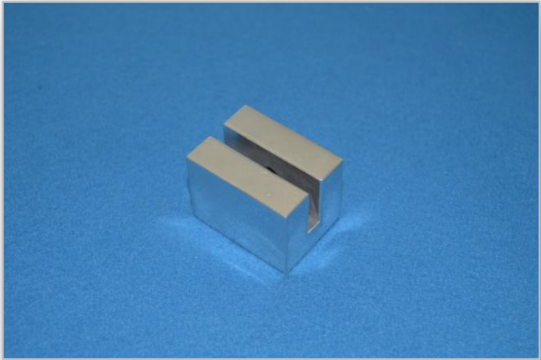

Prodotto	Sezione estruso	Descrizione particolare
		Squadretta allineamento
		Squadretta a spinare porte antipanico
		Squadretta a spinare con cave
		Staffa ancoraggio a muro per profilo con cava fa 7x30mm

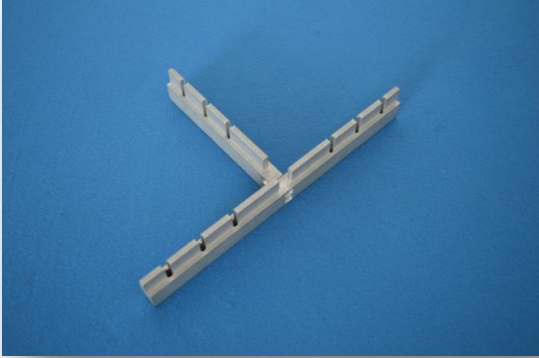

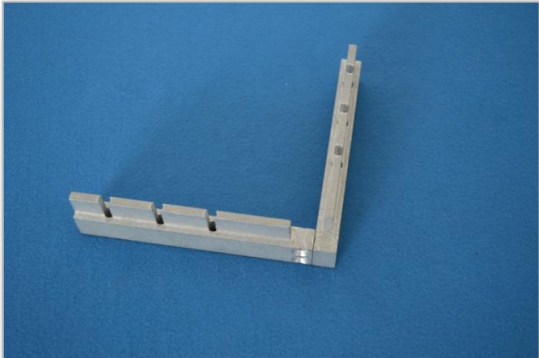

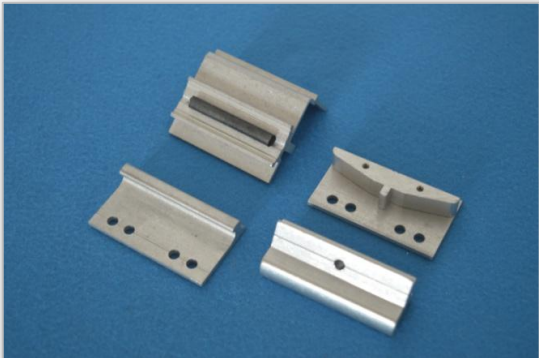

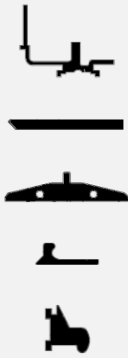

Prodotto	Sezione estruso	Descrizione particolare
		<p>Supporti per ancoraggio vetri facciate continue</p>
		<p>Staffe per strutture in cartongesso</p>
		<p>Kit per tubolare da 30mm per tendalino</p>
		<p>Kit a croce per ancoraggio a strutture</p>

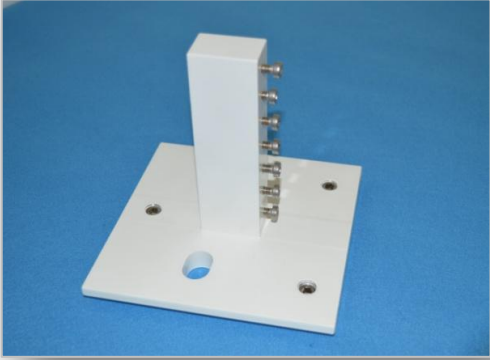

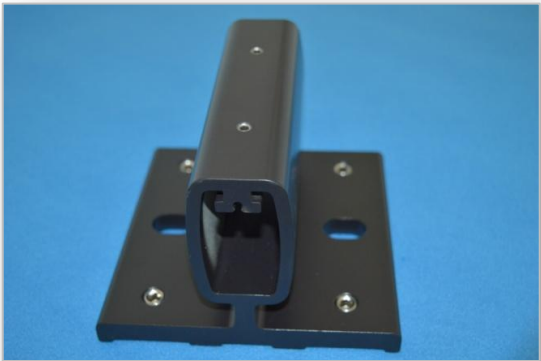

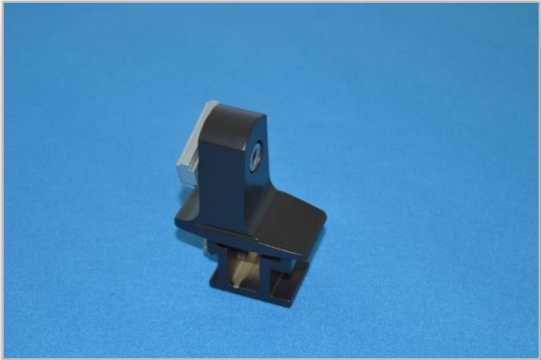

Prodotto	Sezione estruso	Descrizione particolare
		Cerniere a pettine per porte finestre
		Cerniere per porte finestre
		Cerniere per scuri
		Cerniere per porte finestre anta ribalta

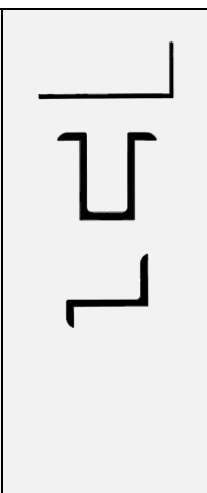

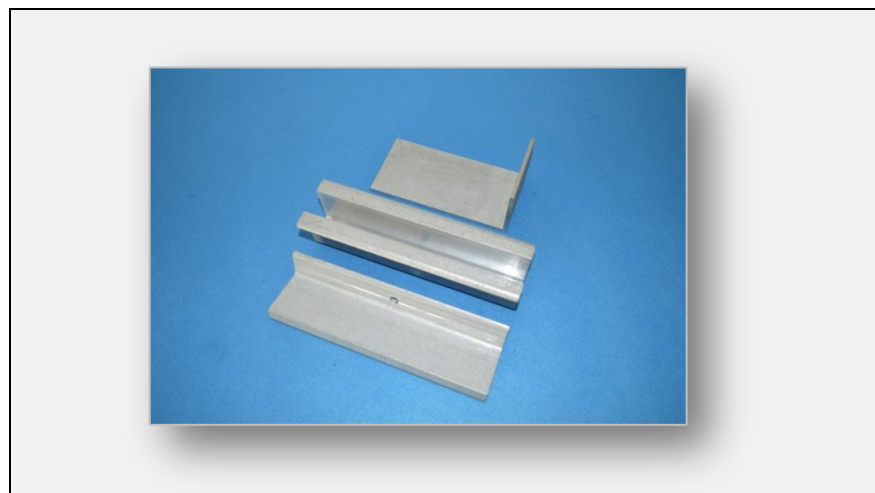

Prodotto	Sezione estruso	Descrizione particolare
		<p>Slitta per cavallotti traversi facciate continue</p>
		<p>Cavallotti a incastro per traversi facciate continue</p>
		<p>Cavallotti traversi facciate continue</p>
		<p>Cavallotti per tubolati da 36mm</p>

Prodotto	Sezione estruso	Descrizione particolare
		Cavallotti per traversi
		Cavallotti aperti
		Blocchetto supporto targhe
		Supporto freno per tubolare da 22mm

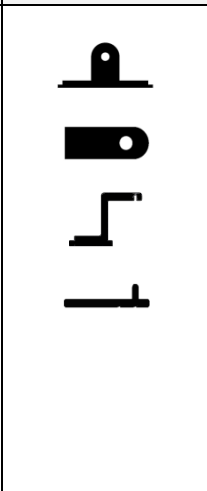

Prodotto	Sezione estruso	Descrizione particolare
		Supporto a croce per vetri
		Supporto ad angolo per vetri
		Kit per aggancio celle facciate continue
		Supporto antirotazione

Prodotto	Sezione estruso	Descrizione particolare
		<p>staffa ancoraggio a pavimento per strutture parapetti</p>
		<p>staffa ancoraggio fronte soletta per strutture parapetti</p>
		<p>Supporto per corrimano per strutture parapetti</p>
		<p>Supporto pannelli per strutture parapetti</p>

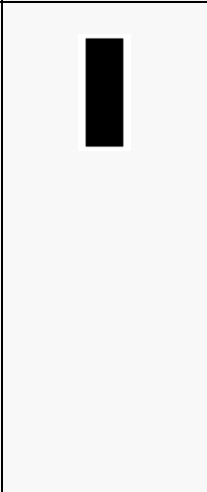

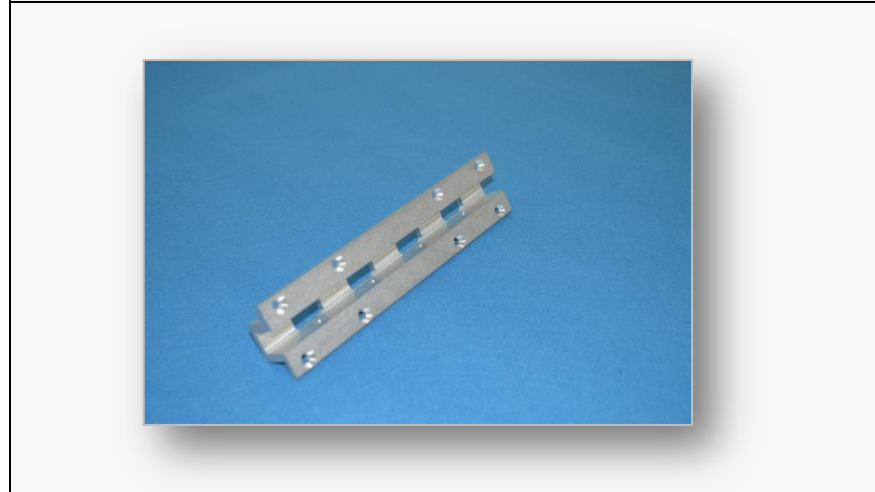

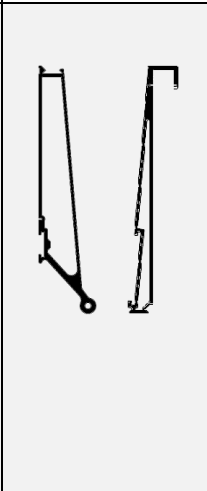

Prodotto	Sezione estruso	Descrizione particolare
----------	-----------------	-------------------------

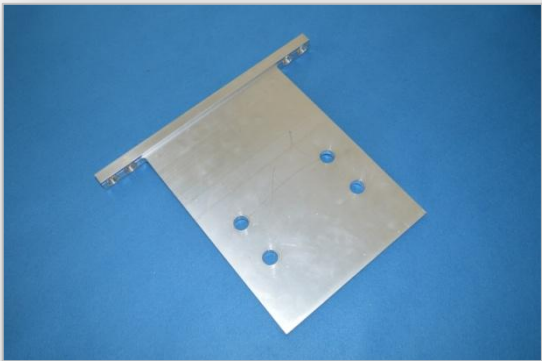

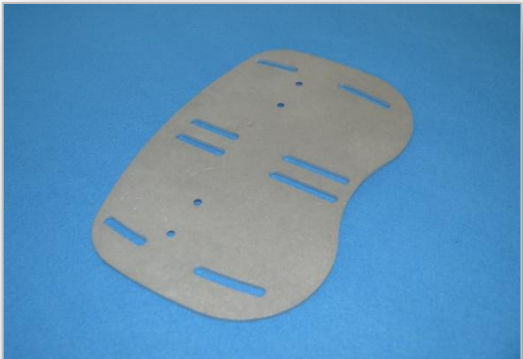

Accessori per pannelli fotovoltaici

Kit supporto da 540mm per pannelli in vetro policarbonato o fotovoltaico

Supporto per carrelli scorrevoli

Prodotto	Sezione estruso	Descrizione particolare
		<p>Supporto per celle facciate continue</p>
		<p>Supporto per celle facciate continue</p>
		<p>Staffa ancoraggio</p>
		<p>Componente carrozzine per disabili</p>
